Now that you have had a closer look at the format and features of The Word One to One and how to use it, how do you feel about giving it a try?

Using copies of The Word One to One, practise going through episode one in pairs if you can. Why might the first 18 verses of John's gospel be a good passage to introduce people to Jesus?

If you want to share God's Word with people, make a start with the following steps:

- Make a conscious decision
Pray about getting started
- *Make a list of people you could invite*
- *Invite*

Do you ever assume what someone's response to Jesus will be and then discount them because you think they won't be interested? How does Andrew's example in John 1:41-42 encourage us and show us that taking the risk to invite is worth it?

Have a go at writing out, in your own words, how you could invite someone on your list to look at the first 18 sentences of John's gospel with you.

Make a plan to ask.

The background is a dark blue color with a repeating pattern of a stylized circular logo. The logo consists of a circle with a cross inside, and the four quadrants of the circle are filled with a pattern of smaller circles. The word "Questions" is centered in the middle of the image in a white, serif font.
